State of California

Lobbying Directory

PREFACE

The Lobbying Directory is published by the Secretary of State to help identify the people, organizations, and firms that have registered with the Secretary of State’s office to lobby the Legislature and administrative branches of state government.

The most current lobbying registration and reporting data can be found on the Secretary of State’s website at http://cal-access.sos.ca.gov/lobbying/ and is updated frequently.

This Directory is a display of the data available at the time of publishing, and some information may have changed. Please reference the Secretary of State's website for the most accurate and timely information.

LOBBYISTS

The first section of the Directory presents an alphabetical listing of registered lobbyists beginning on Page 4. Generally speaking, under the Political Reform Act, a lobbyist is a person who is paid for directly communicating with government officials in order to try to influence legislative or administrative actions, such as bills and regulations. This section includes lobbyists' photographs, telephone numbers, and business and mailing addresses. If a lobbyist is associated with a lobbying firm, the name of the firm is provided. If a lobbyist is employed directly by a lobbyist employer, the name of the employer is shown.

LOBBYING FIRMS

The second section of the Directory provides an alphabetical listing of lobbying firms beginning on page 348. Lobbying firms contract with one or more clients to provide lobbying services on their behalf. This section includes names of lobbying firm officers, telephone numbers, business and mailing addresses, names of lobbyists associated with firms, and the clients they represent.

LOBBYIST EMPLOYERS

The third section of the Directory offers an alphabetical listing of lobbyist employers. Included are the names of responsible officers, telephone numbers, and mailing addresses. Under the heading "Lobbyists" are the names of lobbyists employed directly by that employer. Under the heading "Lobbying Firms" are the names of firms authorized to represent that employer.

LOBBYIST EMPLOYERS BY CATEGORY

Employers of lobbyists are categorized in the fourth section of the Directory in accordance with the nature and interest of their lobbying activity. There are 19 categories, ranging from agriculture to utilities, with employers listed alphabetically within each applicable category. Employers determine the category in which they wish to be listed.

LOBBYING ACTIVITY

Lobbyists, lobbying firms, and lobbyist employers file financial activity reports with the Secretary of State's Office on a quarterly basis throughout the two-year legislative session. Reports are filed in electronic and paper/email formats, depending on activity. The electronic filings are posted on the Secretary of State's website, http://cal-access.sos.ca.gov/lobbying/. The paper/email versions may be viewed and copies requested by contacting the Political Reform Division at prdcopyrequest@sos.ca.gov.

DATA EXPORT REQUEST

A data export of current lobbying information in CAL-ACCESS may be obtained by submitting a data request form to the Political Reform Division of the Secretary of State's Office.
