SOS has approximately 23 vendors that have been certified by SOS to provide electronic filing services to the regulated community. Vendors are interested in project status; how they are involved and impacted; and, how they need to prepare. Vendors need to be provided ample time to make necessary changes to their filing system formats so they can continue to provide online filing services to their clients.
The Institute of Governmental Advocates (IGA) is a voluntary, non-partisan association representing the leading professional lobbyists and lobbying firms in California’s Capitol. Their primary interest is in lobbying functionality. These groups of stakeholders are committed to improving management at all levels of government. They are a mix of professional associations, advocacy groups, foundations, educational institutions, and non-profit organizations that focus on specific topics such as transparency in government, truth in advertising, campaign finance reform, or lobbying reform.
Partner Agencies

Fair Political Practices Commission
Our partner agency who is responsible for the impartial and effective administration of the Political Reform Act. The Act regulates campaign financing, conflicts of interest, lobbying, and governmental ethics.

Franchise Tax Board
